United Kingdom

Sent by: *Captain "Mr. W. van der Meulen" on "Oleg Strashnov"*

By e-mail to: navwarnings@btconnect.com

Date: 16th of March 2016 until 30th of August 2016

The mono hull heavy lift vessel Oleg Strashnov will be installing Mono Piles and Transition Pieces in the Dudgeon Offshore Wind Farm Construction Zone in a number of consecutive trips.

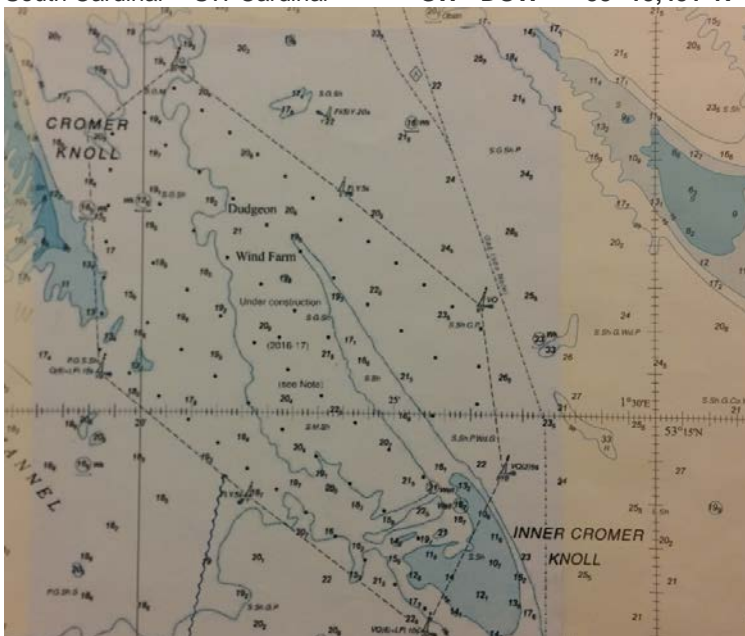

MV Oleg Strashnov – 5BNL2
MMSI 212905000
IMO NO. 9452701

The vessel will be kept stationary by means of 8 anchors radiating from the vessels location. Laying the anchor spread 2 anchor handling tugs will be used. The anchor locations are marked by orange buoys. The diameter of the anchor spread will be 1.0 to 2.0 nautical miles

Boundaries of this zone between Cromer Knoll and Inner Cromer Knoll are identified by 7 buoys in the below listed positions;

The Cardinal buoys will be installed at the following locations:

Mark	Location	Name	Latitude	Longitude	Status	Flash Character
North Cardinal	NW Cardinal	N-DOW	53° 19,102' N	1° 20,592' E	Temporary	Q
